By KIRK C. MILLER.

By virtue of having won all three of the games rolled with Brunswicks in the National Capital League, the Potomacs today feel hopeful of finishing the season in the first division. The three straight victories of Tuesday night brings the Georgetown bowlers within 21 points of the Casinos, and the Fourteenth Street rollers understand today that they will have to hustle if the Potomacs are not to overtake

In scoring so distinct a victory over Peyton Fletchers' Brunswicks, the Potomacs broke their own record for the season for high set, the total number of pins to fall during the battle being an even 1,700. "Mickey" Scofield had high individual game when he contributed 145 pins in the second string.

Franklin National Bank continued it winning streak in the Federal League by taking three in a row from the Munsey Trust Company rollers. Kelley. with 123 in the first game, had high individual score. Navajos were unable to better their standing in the Y. M. C. A. loop when treeks were taken, the latter having walked off the alleys with two out of three games neatly tucked away in their win column. Willard was the star of the set, getting a game of 114.

Birkles won all three from the Dread-naughts in the Northeastern Duckpin Lengue, but all of the games were close. But thirty-five pins separated the teams in the opening round, nine in the second, and twenty-two in the third, McCarthy, with 113 in the opening engagement.

Lansburghs got away to a poor start in the Business Men's League and dropped the opener to Parker-Bridget by a margin of four pins. The Outfitters to Men and Women, however, took a tumble in the second and third. The second game was lost by them by twenty-three pins, and the third by the same difference.

Agriculture tied another cinch knot in its lead in the Departmental Tenpin League by taking all three from Navy. Gorman's name again appears in the Best Bowler Box today, following his high score of 210 in the third game.
